

# Post-Disaster Recovery Planning Forum: How-To Guide

Prepared by: Partnership for Disaster Resilience

# Resources - Strategy Worksheet

<b>Proposed Recovery Strategy:</b>		<b>Theme Addressed:</b>	
		<input type="checkbox"/> Population <input type="checkbox"/> Land Use & Development <input type="checkbox"/> Economy	
<b>Rationale for Proposed Recovery Strategy:</b>			
<b>Ideas for Implementation:</b>			
<b>Coordinating Organization:</b>			
<b>Internal Partners:</b>		<b>External Partners:</b>	
<b>Timeline:</b>		<b>If available, estimated cost:</b>	
<input type="checkbox"/> Pre-Disaster <input type="checkbox"/> Post-Disaster			
<b>Form Submitted by:</b>			

The form should include critical information on the rationale or fact base for the proposed strategy, ideas for implementation, coordinating and partner organizations, timeline, and plan goals addressed. This approach, developed by the University of Oregon's Partnership for Disaster Resilience provides documentation of the proposed strategy and keeps together all of the essential information needed to implement the idea.
